

Thy Kingdom Come!

**2019-2020 Fiscal Year
July 1, 2019 to June 30, 2020**

Thank you for another year of living the family spirit of Regnum Christi through team life, accompaniment, missionary life, and faith. To help live our charism through formation, activities, and retreats, we humbly ask you to make an annual pledge. The recommended pledge amount for our 2020 fiscal year budget is \$50 per month per family. Please prayerfully consider pledging this amount or any higher or lower amount that you can contribute based on your resources and discernment - no amount is too small.

You can use an automatic withdrawal from your bank account or pay by check. If you already have an automatic withdrawal set up then it will continue for this coming fiscal year unless you request a change. **If you would like to make a new pledge or make a change to an existing automatic bank withdrawal please contact Andy Schmitz at andrew.schmitz@outlook.com by June 30th.**
