## Welcome!

*Rosanne Petersen, Editor In Chief (I like the sound of that!)*

*We're baaaaaack!*

My dear friends, it's good to be back! It had been on my heart to resurrect our newsletter, and when Jane Stone and I had a conversation the other day about it, I knew that it was the Holy Spirit at work. So here we are! It's our hope to do the newsletter every other week during the summer.

The intent of this newsletter is to keep everyone in the loop of what's going on in the Section, share news about our families and apostolates, and to support the common goal that we all have as followers of Jesus Christ – to get to Heaven and take as many people as we can with us.

May Our Lady of the Family bless this work and all the Regnum Christi members and families as we work to build the Kingdom.

**Jennifer Ristine Is On A New Mission**

Jennifer Ristine, Consecrated woman in Regnum Christi, who has traveled to the Twin Cities to give us talks, spiritual direction, and retreats this past year, has been given a new assignment in **Jerusalem**. In August 2014 she will join the Consecrated women's community in Jerusalem and assist with their mission of spiritually accompanying Holy Land pilgrims, volunteers, and workers. She doesn't know all the details of her assignment yet, but God certainly has a big mission in mind for the Consecrated women, as they help to establish the **Magdala Center on the Sea of Galilee** and eventually will guide the International Center for Woman and Youth, to reinforce the status and **dignity of women**.

Our prayers, love, and thanksgiving for her generous "Yes" go with Jennifer and her companions in the Holy Land. If you would like to send best wishes to Jennifer, her mailing address **until June 30** is Mater Ecclesiae College, 60 Austin Ave, Greenville, RI 02828.

**Pope Francis' Prayer Intentions  
June 2014**

**General Intention**

That the unemployed may receive support and find the work they need to live in dignity.

**Mission**

That Europe may rediscover its Christian roots through the witness of believers.

**Find Your Mission**

When is the last time that you helped your children find THEIR mission? How do you foster vocations in your own home? Here are great ideas from USCCB website <http://www.usccb.org/beliefs-and-teachings/vocations/parents/abcs-of-fostering-vocations.cfm>.
